1	*Grant of local allowances to certain Police officials of the Kolar Gold Fields.* Letter No. 6587—400, dated 7th May 1904, from the Inspector General of Police. Recommends the grant of local allowance of Rs. 20 in addition to horse allowance to each of the two Inspectors at the Kolar Gold Fields, that the horse allowance given to the Chief Constables may be treated as local allowance and that the Bowringpet Taluk Police may be given the local allowances granted to other officials and menials in Government Order No. 2116-58, dated 9th June 1903. 6 Letter No. 911-215, dated 4th October 1904, from the Inspector General of Police. (J. 768)

Subject - Grant of Local allowances.

Letter No. $\frac{05\,87}{400}$ dated 2nd May 1904, from the Inspector General of Police in Mysore, ~~from the~~ recommending the grant to certain Police officials of the Kolar Gold Fields + Bowringpet Taluk.

Rec'd
10-1-05

The Inspector General recommends the grant of a local allowance of Rs. 20 each to the two Police Inspectors of the Kolar Gold Fields for the following reasons: —

(1) The present horse allowance sanctioned to them is hardly sufficient to maintain a horse.

(2) Their pay, Rs 125 rising to Rs 175 is not sufficient to induce good Inspectors to remain for a long period in the Fields

4 (3) The living at the Fields is expensive
d Govt Lave in their proceedings N. 2116-2158 Fin.
dated 9th June 1903 sanctioned the grant of local
allowances to all the Officials at Baninghat.

5 (4) The present Inspectors are ~~many~~ officia

6 The extra Cost amounts to Rs 40 per mensem
or Rs 480 per ~~mensem~~ Annum

7 2. The Inspector General proposes that
the allowance of Rs 20 sanctioned to the Chief
Constables of the Field may be treated as
a local allowance. The Govt Proceedings on
the subject (No. 12192-95 dated 23-1-02
J-984) is silent as to whether the allowance is to be
treated as local or ~~hill~~ allowance. The
present proposal ~~though~~ involves no extra
Cost. But will save the ~~off~~ said officials
from the necessity of maintaining a horse
The Insp: Genl says that their work may be
better done on foot or on bicycles.

83. The Insp^r General states that the Taluk Police of the Bowringpet Taluk were overlooked when he as Dy Comm^r of the Kolar Dt sub-mitted a statement of officials and menials who were benefited by the order of Govt^t No. 2116-2158 dated 9th June 1903. He further therefore reports that now submits a statement showing the strength of the Taluk Police Force and requests that they may be granted the local allowance specified against each.

F.E.C. Carr Esquire.,
Inspector General of Police in Mysore.

To,

L. Anantasami Rao Esquire., B.A.,
Offg. Secretary to the Government of His Highness the
Maharaja of Mysore in the General and Revenue
Departments.

Sir,

I have the honor to forward herewith an application from Inspectors O' Doherty and Simon Reuben, of the Kolar Gold Fields Police, asking for the grant of local allowance as sanctioned to all officials serving on the Gold Field and in the Bowringpet Taluk, in consideration of the costliness of living there (Vide Government Proceedings No. 2116-2158 dated 9th June 1903). The horse allowance of ₹20/- drawn by these Inspectors is barely sufficient to maintain their horses. Added to this they have peculiarly trying work in their Divisions, and the pay of ₹125/- rising to 175/- given to them, is I think hardly sufficient to induce good Inspectors to remain for long on the Gold Field, seeing that Inspectors serving elsewhere have a chance of rising to a maximum pay of ₹200/-.

Both are efficient Inspectors. I beg therefore, to recommend that these Officers may, in common with the Officers of other Departments, be granted local allowance of ₹20/- each, per mensem, in addition to their horse - allowance of ₹20/-.

I regret that this matter was not brought to the notice of Government when the proposal for strengthening

the Force on the Gold Fields, was submitted in January 1902; but I trust that this oversight will not be allowed to stand in the way of these deserving Officers, when Government considers this proposal.

(2) With regard to the Chief Constables of the Kolar Gold Fields Force, the allowance of ₹20/- attached to their grade is now treated as Local allowance, and not Horse allowance, and therefore no special mention of it was made in the proposal submitted to Government with No. 3046/224 dated 4th January 1902. I beg that this little technical matter may be set right now, the ₹20/- allowance made to Chief Constables being treated as Local and not Horse allowance, as there is no need for these Officers while on the Gold Field to maintain horses, the work being better done on foot, or on bicycles.

(3) There is still another question which requires the favourable consideration of Government in connection with the Bowringpet Taluk allowances.

The Taluk Police of Bowringpet were, I regret to say overlooked when, as Deputy Commissioner of the Kolar District, I submitted to Government the statement of officials and menials, who would be benefitted by Government Proceedings No. 2116-2158 dated 9th June 1903. I therefore forward herewith a statement, showing the total strength of the Bowringpet Taluk Police Force, which may be considered to come under the scope of the Government order under reference.

(4) May I request that you will be so good as to place all the above matters before Government and obtain early orders thereon, so that the Comptroller may be authorized to make necessary provision in the Police Budget of the year 1904-05.

(5) I would suggest that if Government are pleased to agree to the above proposals, the allowances may be granted from the beginning of 1904-05, and not made retrospective.

I have the honor to be,

Sir,

Your most obedient servant,

Sir,

We the undersigned Police Officers
of the Kolar Gold Fields Police beg to lay
the following few lines before you for
favourable consideration.

It will be seen that the whole
of Bowringpet Taluk is placed on
the same rank with the Malnad Taluks
in the Province, in consideration of its
expensiveness, as observed in Proceedings
of the Government of H.H. the Maharaja
of Mysore, No. F. 2116-5-8 dated Banga-
lore 9th June 1903, hereto attached and the
same local allowance is attached to each
and every appointment, either of Officers
or officials & menials of all the departments
working in this Taluk. In the Police
department, Chief Constables draw a local
allowance of Rs. 20/- per mensem, Head
Constables Rs. 10/- and Constables Rs 4/-

per months. The Special Magestrate of Kolar Gold Fields as well as the official and menials of his Court establishment are given local allowance according to their ranks as also the Munsiff and his establishment. The Amildar and his establishments also draw local allowances and the Concession is extended to the officials of the Education & Revenue departments as per Government Proceedings No. F 2110 dated Bangalore 9th June 1903, and we believe also to the medical and P.W. departments.

We, the undersigned, are given Horse allowance (Rs 20/- per mensem), in consideration of which we are bound to maintain a pony. So this allowance is general throughout the province and cannot therefore be considered a special or local allowance. Under the above circumstances we beg to request you most humbly that our claims for local allowance will be taken into consideration and that you will be good enough to recommend us to the Government of

Mysore, through the Inspector General of Police, for such local allowance as you deem fit in the matter, for which act of kindness we will ever feel grateful.

2. The cost of living on the Gold Fields is very expensive. The local allowance of Rs 20/- now recommend

for each of the two Inspectors will go some way in inducing good men to remain on the Field.

3. The Chief Constables have to do all their work on foot. It is not necessary for them to maintain a pony or bicycle although as a matter of fact some of them keep a bicycle as a convenience. The horse allowance in their case may be converted into local allowance.

Order No:J 677-679/Police(132 of 03-04)-5 dated

-------ooOoo-------

With reference to para 2 of the above Government
)rder asking whether the Chief Constables of the Kolar Gold
'ield have been maintaining horses, I beg to state that as
)ointed out in para 2 of my letter to Government No: 6587/400
lated 7th May 1904, the work of Chief Constables on the Gold
'ield is better performed on foot or on bicycles, and that they
lave not been required to keep horses.

It was on this account that I requested Government
:o kindly treat the 20 Rupees horse allowance as local allow-
ance. With the exception of the two Inspectors, all other
lembers of the Police Force on the Field draw local allowance;
:onstables ₹ 4/- per mensem, and Head Constables ₹ 10/- per

is night patrol, which owing to the roughness of the ground in the various mining camps and cooly colonies, is far easier and better performed on foot. The day work on beat or detective duty can be done on bicycles.

3. If Government so desire, I can require all Chief Constables to keep bicycles to enable them to perform their day work expeditiously and efficiently.

4. I would respectfully suggest that my proposal, in par 2 of my letter under reference, may be kindly acceded to.

I have the honor to be,

Sir,

Your most obedient servant,

J C Carr
